President, Mike Poppe. The Endless Summer Band will keep the party going into the night, so you can let your hair down and enjoy your ILTA friends.

Convention offers 'HOT' Topics and CE/CLE credits

We all know that our industry is changing. From the clientele placing the order to the delivery method of our final product, nothing is as it was 20, 10, even 5 years ago. Change can be overwhelming, but your association is committed to help you transition into the new title world. And, your education committee has planned a convention agenda to help you recognize these new trends and gain the knowledge necessary to succeed. [Read about these 'HOT' topics here.](#)
