Is an ILTA leadership role in your future?

The ILTA Nominating Committee is now **seeking volunteers** who are interested in serving on the Board of Governors beginning January 1, 2019. The board is made of active members who meet every other month (beginning in February) for approximately three hours per session. Board members work between meetings to develop new ways of creating member benefits and services to advance the title industry in the state.

According to Daniel Slusser, past president and chair of the Nominating Committee, “Serving on the ILTA Board is an opportunity to give back to the association and take an active role in assuring a stable organization going forward. I encourage all active members to consider this opportunity. It’s very rewarding and offers invaluable networking with other title professionals throughout the State of Indiana.”
