Questions? Contact Brandi Halcomb, bhalcomb@stewart.com

Is an ILTA leadership role in your future?

The ILTA Nominating Committee is now seeking volunteers who are interested in serving on the Board of Governors beginning January 1, 2019. The board is made of

active members who meet bi-monthly (beginning in February) for approximately three hours per session. Board members work between meetings to develop new ways of creating member benefits and services to advance the title industry in the state.

According to Daniel Slusser, past president and chair of the Nominating Committee, “Serving on the ILTA Board is an opportunity to give back to the association and take an active role in assuring a stable organization going forward. I encourage all active members to consider this opportunity. It’s very rewarding and offers invaluable networking with other title professionals throughout the State of Indiana.”

Interested? Have questions? Contact Dan at: slusserd@CTT.com or any member of the current Board by [clicking here](#).

Follow the PATH to ILTA online education

ILTA is now offering a new learning management system (called PATH) that will streamline your access to all ILTA courses. Members no longer have to sign-in to multiple websites. Now, with PATH, members simply sign-in to their ILTA membership portal, click on EDUCATION (top menu line) and then have direct access to the course catalog.

Just go to: <https://www.pathlms.com/ilta> where you can sign-in to your ILTA account and have direct access to PATH. [Read the 3 Steps to PATH here](#). This new and improved single-sign-on feature is brought to you by your ILTA Board of Directors as a member benefit.
