Welcome to the Indiana Land Title Association's online education portal! ILTA is a certified provider of pre-licensing and continuing education (CE) through the Indiana Department of Insurance. One of ILTA's missions is to provide top-quality continuing education to land title professionals and others.

As a reminder, after the pre-licensing course is completed, a title insurance producer is required to renew his or her license every two years. To renew, you must have taken at least seven (7) credit hours of continuing education courses related to the business of title insurance. I.C. 27-1-15.7-2. The seven (7) credit hours must include at least one (1) hour of each of the following courses: (1) Ethics; (2) Title Insurance Underwriting; (3) Escrow Issues; and (4) Principals of RESPA. If you have any questions about the requirements, please contact the licensing division of the Indiana Department of Insurance.

Thank you for choosing an ILTA online course. Your use of these courses supports ILTA's mission. ILTA also provides networking events to its members in conjunction with live seminars.
