

Hey all!

This is your personal invitation to Indiana Land Title Association's next two seminars happening in a little over two weeks on July 17, 2019 at the Willows on Westfield in Indianapolis - *Commercial Title and Escrow Processes* and *Intermediate Legal Descriptions*.

The first session, *Commercial Title and Escrow Processes*, runs from 9a – 1:30p (lunch included from 12:45 – 1:30p) and has been approved for 4 CE/2.9 CLE.

If you are new to the commercial transaction landscape and want basic guidance, this seminar is for you! Our "Titans of Title", Tom Fickle (Stewart Title Guaranty) and Margaret Sklenar (Metropolitan Title), will explore the differences between residential and commercial transactions, and provide you with the information necessary to handle those commercial title and escrow requests. Don't miss your opportunity to get the lowdown on these high-end real estate transactions from our amazing presenters!

In the afternoon, come join us from 12:45 – 4:30p for lunch (12:45 – 1:30p) and our second session, *Intermediate Legal Descriptions* presented by Gary Kent (Schneider Geomatics). This session picks up where April's Basic Legal Description course left off and will take you through the norths and souths (and easts and wests) of Metes and Bounds legal descriptions. Bring your protractor, scale, and graphing paper (or they will be provided to you) and get ready for an afternoon of drawing fun! The afternoon session is approved for 3 CE/2.9 CLE.

You may register for the morning or afternoon sessions only or earn 7 CE/5.8 CLE for the entire day!
