ILTA LEGISLATIVE UPDATE

March 11, 2019

Legislative activity was quiet last week, as bills that passed the deadline to go to the other chamber were being assigned to committees.

This week, on the other hand, will be brisk as several bills of interest to ILTA will be heard in committee. The Judiciary Committee will hear SB 265, Various Trust Matters, Monday morning and Senate Tax and Fiscal Policy will hear HB 1056 & HB 1345, both dealing with property tax matters, on Tuesday.

Wednesday will be the busiest day for ILTA, with HB 1487, the Secretary of State Remote Notary Bill scheduled for hearing at 9:00 a.m. in Senate Judiciary, along with HB 1411, regarding Eminent Domain; Senate Insurance will hear HB 1440, Loan Brokers, and HB 1588, Insurance Matters, at 1:00 p.m.

ILTA efforts this week will be focused on finding a home for our title search protection language and continuing negotiations on the Judgement Lien Bill, HB 1055.

Below is the current bill track, including all live legislation of interest to the members of ILTA...for an up-to-the-minute update on the action track report, go to: http://www.hannah-in.com/Report_Custom.aspx?sid=kUMsC08uZDM%3d&rid=hd67VmN5gBo%3d
