### Sales Disclosure Form Revision

The Sales Disclosure Form is undergoing revisions. Since the recession, there have been concerns with how data on commercial property and investor residential properties is collected and thereby assessed. See below for the links to the proposed sales disclosure forms. Amy Comer Elliott is the ILTA representative who has been working on the committee revising the forms. The committee has asked for commentary to be submitted **by June 1, 2019. Please submit your comments to Amy at:**[aelliott@comerlaw.com](mailto:aelliott@comerlaw.com)
