

2020 ITPAC Report

Through September 14, 2020, the Indiana Title Political Action Committee (“ITPAC”) has raised \$17,085.00 this ITPAC “year”, which runs from November 1st to October 31st every year to coincide with ILTA Membership renewals.

The money raised this ITPAC year was through private individual and corporate ITPAC contributions and from fundraising opportunities provided throughout the entire year. This year fundraising opportunities were provided at the 2019 Convention, November 14, 2019 Seminar, ILTA Lobby Day and the ITPAC Virtual Race. The ITPAC Auction this year is looking to be a positive fundraising experience again as we use the online platform and have opened it up once again to those attending convention and those whom are remote.

The current ITPAC balance as of September 14, 2020 is \$37,167.79. ITPAC also made \$2,500.00 in Contributions to the following Campaigns:

Steuerwald for State Representative \$1,000.00

Matt Lehman for State Representative \$1,000.00

Committee to Elect Dan Leonard \$500.00

I would like to thank the ITPAC Committee members assisting in our efforts this year:

Kathy Shultz, Barbara Hulett, and Jared Ewbank

In addition, a BIG THANK YOU to all who contributed to ITPAC whether monetary, time, items for prizes, raffles and/or auction fundraising opportunities. Each contribution is critical to ILTA’s legislative efforts.
