

Effective March 24, 2020 at 11:59 pm the County Commissioners ordered the courthouse closed until Monday, April 6, 2020 at 11:59 pm. Until then I will be coming into the office daily for a short period of time to record what I can. We are not recording any deeds during this time, unfortunately we will not be able to record any packages that include deeds due to the shortage in staff in other offices. I will be date stamping those that come in the mail and when we are all back to work we will process them in the order that they came. If you need a copy of a document please check DOXPOP.com before emailing me for a copy, we are back to January 1984 on Mtgs. and Misc. and January 1978 on Deeds, if the document you need is not available on DOXPOP.com email me and I will get it to you when I can. Thank you all for your understanding during this difficult time in our nation's history.

Stay safe,

Penny

Penny J Titus

Recorder of Carroll County

Courthouse
