NOTICE

OFFICES CLOSED TO PUBLIC

Morgan County Government Offices will be closed to the public from 6:00 pm March 19, 2020 until further notice due to the emergency declaration involving COVID-10 (coronavirus) made by Gov. Eric Holcomb and Executive Order of the Morgan County Board of Commissioners.

The public may still conduct business with the county through phone or by email. A list of phone numbers and emails can be found on www.morgancounty.in.gov. (There is also a contact list below this notice.) For those who do not have access to the Internet and need specific office numbers, call 765-342-1007, and your call will be directed to the appropriate office.

In person appointments may be scheduled by phone or email, but must be approved by the office holder. We ask that the public postpone non-essential business until later.

We encourage the public to follow guidelines distributed by the Center for Disease Control and Prevention (CDC) and ask that you update yourself on those as guidelines change rapidly.

Thank you for your understanding during this difficult time.
