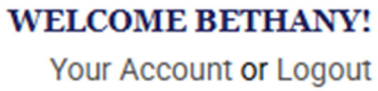
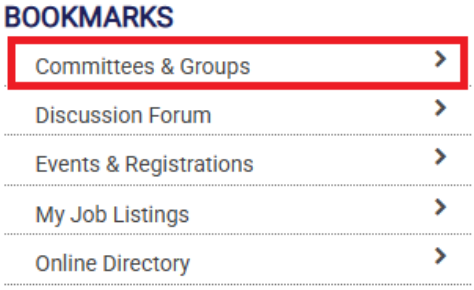
INDIANA LAND TITLE ASSOCIATION

How to Join a Committee

Sign in on the website www.indianalandtitle.org and go to your profile page ("Your Account").

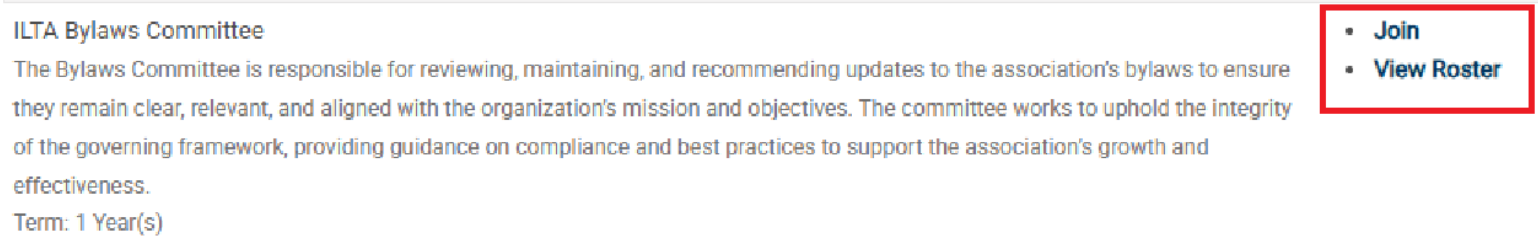


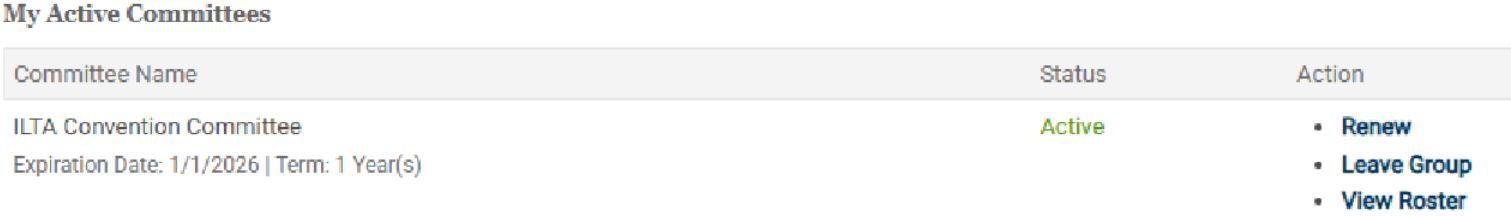
On the left-hand side of the My Profile screen, click on "Committees and Groups" under Bookmarks.



This will bring up a page showing the committees you are currently on, as well as a list of all the ILTA committees and their descriptions.

To join a committee, click Join next to that committee's description. You can also see who is currently on the committee by clicking View Roster.





Committee terms are all one (1) year and run for the calendar year of January – December. To leave a committee prior to the end of the calendar year, click on Leave Group under My Active Committees.
